

## Brokerage Event during ESEF 2018

THE MEETING PLACE FOR THE  
MANUFACTURING INDUSTRY  
20 - 23 MARCH 2018 - JAARBEURS UTRECHT

# ESEF

ESEF is the biggest and most important trade show in the Benelux in the field of **supply, outsourcing, product development** and **engineering**. Once every two years, OEM companies, product developers and buyers visit ESEF to be inspired by current developments, meet (new) business contracts, share knowledge and make investments. For the (manufacturing) industry, ESEF forms a central and interactive platform showcasing the latest innovations.

More information about the trade fair ESEF 2018 is available on [www.esef.nl](http://www.esef.nl).

New show topics include **smart city, additive manufacturing / 3D printing, robotics, new materials and circular economy**.
