

# Handy Shattaf

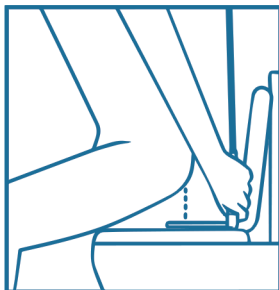

Small and portable shattaf always at hand.

## Suitable for everyone:

HandyShattaf is perfect for anyone who may struggle with finding adequate access to obtaining appropriate personal hygiene. On the go HandyShattaf is ideal for airplane travels, hotel stays, treks or desert safaris where, due to lack of proper amenities, it is difficult to maintain personal hygiene, as well as cultural habits.

for women

for men

## HandyShattaf features:

- **Water saving** - control over water usage thanks to our self-closing shower head
- **Efficient pressure**
- **Portable** - Whole HandyShattaf kit weighs only 350 grams and is extremely compact so it can easily fit into any luggage
