

CampTap

**The most mobile Sink & Tap
in the world**

Works thanks to GRAVITY

NO pumps

NO electricity

NO tools for assembly

www.CampTap.com

CampTap

- **Water-saving:** control over water usage thanks to our self-closing valve,
- **Easy-to-use:** quick installation & intuitive system - even a child can use it,
- **Portable:** compact and small.
Size: 25 x 18 x 6 cm, weight: 500 grams,
- **Hands-free (optional):** a foot pedal allows for a hands-free cleaning.

Poland, Warsaw, 02-493, Krancowa 49
