General Information

Short summary

A Cyprus based cosmetic company established by young people with the purpose of introducing to the market products which are solely based on herbs and natural ingredients. They are producing 100% natural skin care products and they are seeking for potential distributors.

Full description

The Cypriot company was established in 2020 by young, talented people with main purpose of introducing to the market products which are solely based on herbs and natural ingredients.

Following practices inherited by the local ancestors, they created a line of cosmetic products that can facilitate the natural healing process.

They are producing 100% natural skin care products which have been successfully laboratory tested and its safety and effectiveness have been scientifically proven.

On the contrary to other cosmetic products in the market, they do not contain any chemicals or conservatives and are suitable for all ages.

They are currently available in all pharmacies in Cyprus.
