General Information

Short summary

A historic Swedish yarn factory is looking for retailers, agents, and wholesalers to expand its market presence. The company is also interested in connecting with textile artists for potential collaborations.

Full description

A historic Swedish yarn company is looking for retailers, agents, and wholesalers to distribute their products. Additionally, they are seeking textile artists and companies specializing in design yarn, embroidery, furniture yarn, and sewing yarn, with a particular focus on the Japanese market.

The company has a rich history dating back to 1898 and it has been a driving force in the spinning and textile industry, not only in its own region but also in Sweden and internationally. With a rich history of innovation, courage, and quality, the company has thrived for over a hundred years due to its passion for flax and yarns and its deep roots in the region. The company is committed to continuing its global expansion and becoming one of the world's leading producers of sustainable yarns.

The company creates high-quality yarn inspired by the pure landscapes and timeless traditions of northern Sweden. Using natural fibers and sustainable production methods, they offer yarns that are both beautiful and responsible and ideal for artisans who value authenticity, craftsmanship, and environmental care.

Their yarns reflect the Nordic spirit: simple, elegant, and deeply connected to nature. With a focus on quality and traceability, the company welcomes international designers, knitters, and textile brands who seek to work with ethical and inspiring materials.
