## General Information

---

### Short summary

An independent fashion company producing women's headwear and womenswear in Italy in limited quantities using silk, cashmere, and leather. The company is registered in Slovakia and is looking for distribution and retail partners in selected European markets, primarily Germany, Switzerland, France, Ireland, and Denmark.

### Full description

An independent, designer-owned fashion brand offering women's headwear and womenswear, produced in Italian ateliers in limited quantities. Materials include silk, cashmere, and leather sourced from established Italian and French suppliers. The company works with small production runs based on material availability and aims to maintain consistent quality and craftsmanship.

The company is seeking distribution partners, retail boutiques, and industry specialists to support market entry and sales development in selected European countries (Germany, Switzerland, France, Ireland, and Denmark), as well as the UK, the US, Canada, Japan, and Australia. Cooperation may include wholesale supply, retail placement, and local sales representation.

## Advantages and innovations

Crafted in limited quantities in Italian ateliers, the collections use silk, cashmere, and fine leather sourced from producers trusted by the most prestigious fashion names, with high-end surplus and archival fabrics incorporated whenever possible. Each piece is made to the highest luxury standard while remaining as attainable as possible for the level of craftsmanship involved.

The brand has been presented in select stores in New York and London, showcased at Copenhagen Fashion Week, and featured in British Vogue, Vanity Fair, GQ, Tatler, and Condé Nast Traveler.
