# Regulation on deforestation free products (EUDR)

13 June 2024

# Build on awareness and initial commitments to implement EUDR obligations

**A long-standing commitment to the fight against imported deforestation which has helped to familiarise FR stakeholders with the issues involved.**

- **European and international commitments** : Amsterdam declaration partnership (2015), Glasgow declaration (2021), One forest summit (2023) etc.
- **National strategy to end deforestation linked to imports of agricultural commodities (2018)** : platform of stakeholders, voluntary commitments of the main sectors, research on deforestation issues etc.

# National level

- 1. Promote and explain** : webinar, website, meetings with stakeholders, dedicated communications etc.
- 2. Address the questions** : support the European work to provide relevant and harmonized answers and guidelines (Informal working group, Multistakeholders platform)
- 3. Institutional preparation** :
  1. Designation of competent authorities (Environment / Agriculture)
  2. Preparation of checks
- 4. Support the implementation** : dialogue and tools

## TEI on Deforestation-free Value Chains

Launched on 9<sup>th</sup>  
December 2023  
at COP 28  
- initial  
financing  
package: € 80+  
Mio.  
(EU, DE, NL, FR)

Further MS  
supporting TEI:  
BE, DK, SE, SI

# Strategic aim

## **A coherent Team Europe approach for inclusive partnerships on deforestation-free value chains that:**

1. Contributes to Article 30 and the forthcoming comprehensive strategic framework for cooperation with partner countries.
2. Focuses on the Global South and address all commodities and relevant products relating to the EUDR.
3. Facilitates an inclusive transition to deforestation-free and legal supply chains to the EU and thereby contribute to minimizing the EU's contribution to deforestation and forest degradation.
4. Coordinates existing and forthcoming initiatives and projects by the EU and Member States relevant to the operationalisation of the Deforestation Regulation.
