The Team France Export

Impulsed by the French state, Business France, Chambers of Commerce, Bpifrance and Regions, the Team France Export aims at regrouping public and private organisations. The Team France Export agent is your point of entry to find the best solution to your international development.

JAPAN

在リヨン領事事務所

With the cooperation of the Consulate of Japan in Lyon

- In Auvergne-Rhône-Alpes, more than 480 companies export to Japan, and 230 Japanese companies are established in the Region
- There are 4,000 Japanese nationals living in the Region
- The Region aims to develop economics relations with Japan
- Collaborative projects between France and Japan : clusters, Grenoble metropole, universities...

Our actions

- **Regional business mission:**
 - Canada
 - Italy
 - China
 - Japan/South Korea
- **Webinars and events**
- **Follow our Team France Export portfolio**
- **V.I.E part time**
- **Promote regional and international aid**
- **EEN network and Europe desk: find partners, get information about European aid or call for proposals**
