TecnoCampus – more than a business park

Where University and business go hand in hand

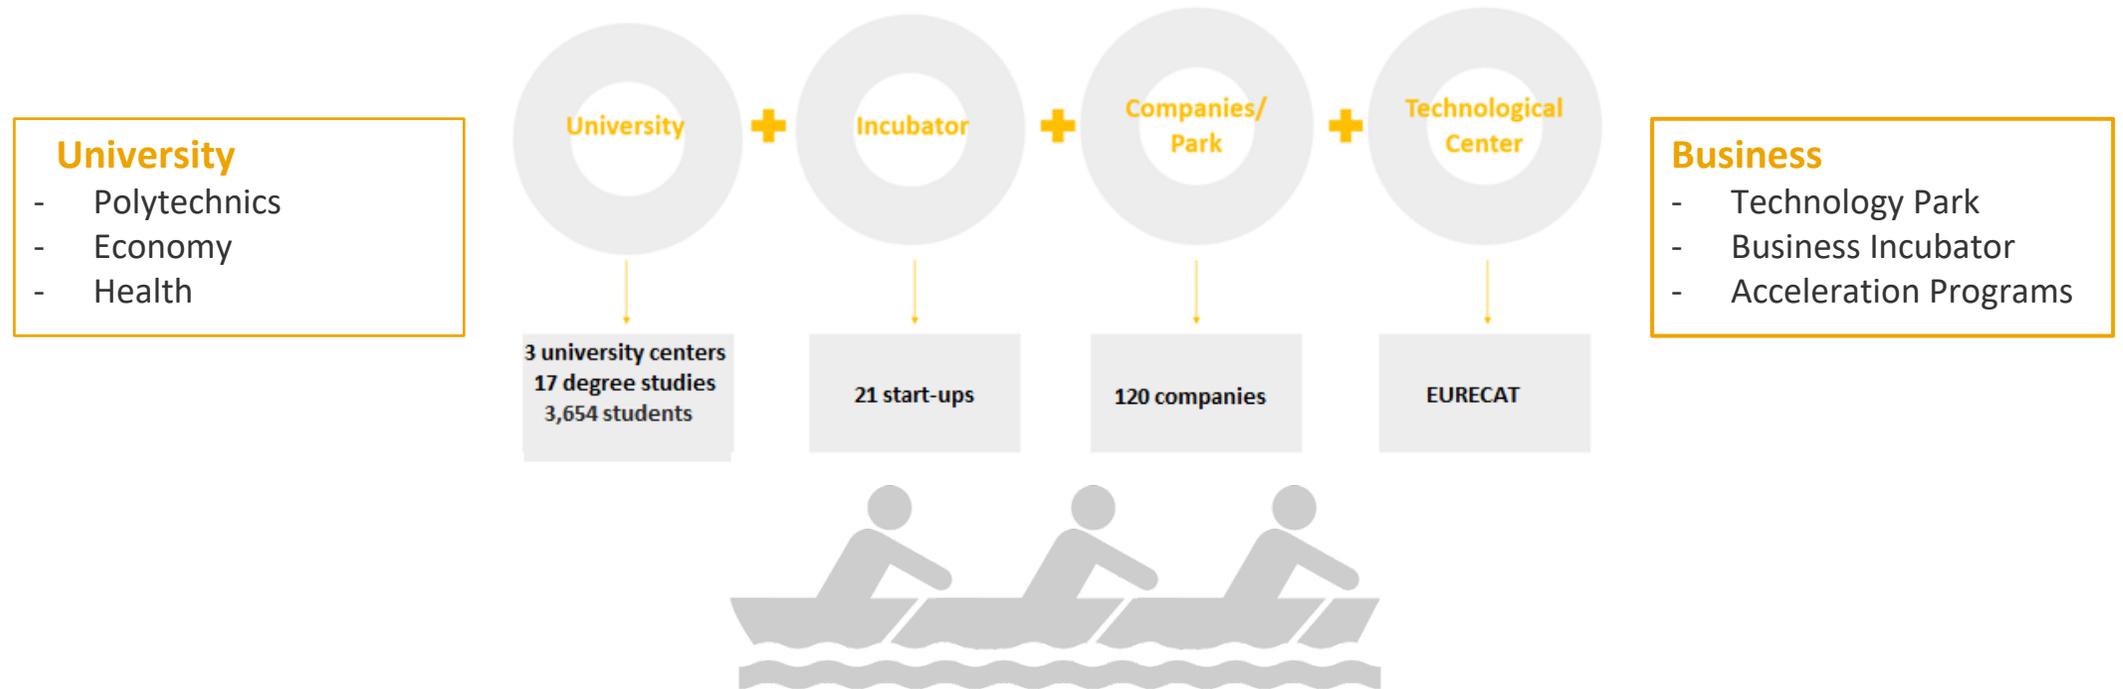

Tecnocampus brings together academia and business in a single space devoted to innovation and entrepreneurship. Based in the Catalan city of Mataró, 30 kilometres from Barcelona, TecnoCampus aspires to be an international project and a powerful driver of regional economic and social transformation.

About us

Tecnocampus as a bet on the future, connects Academia with the business world through its three University Schools attached to Pompeu Fabra University, almost 4,000 students, a business park which is home to 120 companies and a business incubator center with room for 21 start-ups, including pre-incubator for students, several acceleration programs and the Technological Center: EURECAT

- XPCAT: The Science and Technology Parks Network of Catalonia
- Tecnocampus: Vicepresidency of Internationalization
- Next Webinars:
 - China
 - Brazil
 - India
 - Mexico
