

UK Trade & Investment

UKTI's mission

- Support UK companies to grow their business through international trade;
- connect UK business to the world's top commercial opportunities;
- attract high quality inward investment to the UK; and
- establish whole-of-government relationships with major wealth creators to increase exports and investment.

Our Vision

Be the difference for UK jobs and growth by helping clinch the deal for British companies overseas and high value foreign investors in the UK

Trade related objectives:

1. We are here to help UK companies succeed in a global economy
2. We are here to give our customers the best official support through ministerially-led visits and high impact government-to-government dialogues.
